

Reflections News

You helped us have such a successful Reflections Art Program this year that we want to celebrate your creativity for a bit longer. We are going to have an “Artist Spotlight” located outside the Art room. This will be an area where others can view your creative masterpiece! After your artwork has been displayed for a week, we will return your work and another piece of artwork from the Reflections competition will be displayed. If you would rather forgo your time in the “Artist Spotlight” and have your work returned promptly, fill out the portion below and I will have it back to you ASAP.

PTA Reflections:

_____ I would like to forgo my time in the “Artist Spotlight” and have my artwork returned ASAP.
